

**MOCK brand kit, for testing the SkyDrive brand-kit drop-in only.** Not an approved SkyDrive identity: the suite's public name and logo are still undecided.

# SkyDrive brand guide

Version 1.0 (mock) · October 2026

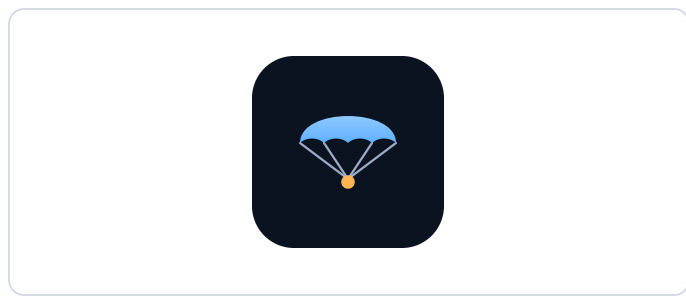

## LOGO

Main logo: use on white and light backgrounds.

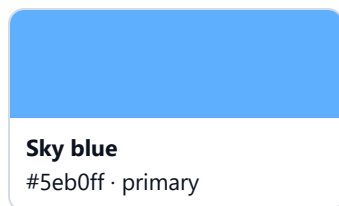

Logo for dark backgrounds: hangar screens, dark headers.

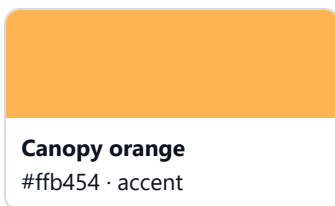

Icon: app icons, favicons and small spaces only.

- Keep clear space around the logo equal to the height of the canopy.
- Never stretch, recolour, outline or add effects to the logo.
- The smallest the full logo may appear is 120 px wide on screen, 1 in. in print.
- On photos, use the dark-background version on a dark area only.

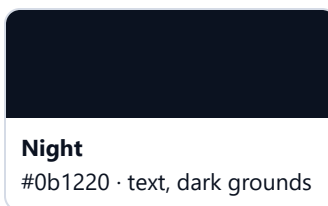

## COLOUR

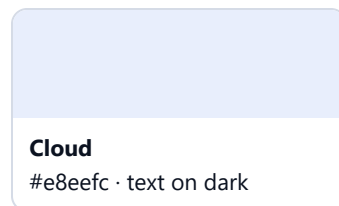

**Sky blue**  
#5eb0ff · primary

**Canopy orange**  
#ffb454 · accent

**Night**  
#0b1220 · text, dark grounds

**Cloud**  
#e8eefc · text on dark

Sky blue is the brand colour: buttons, links and headings. Canopy orange is an accent for small highlights only, never for warnings.

## TYPOGRAPHY

**Headings: Inter Bold.** Body: Inter Regular, or the system font where Inter is not available. Emails use the system font.

## VOICE

Plain, calm and specific. Say what is happening and what to do next. No jargon a first-time tandem customer would not know.
